H ARMONIOUS
I use kind words and share my toys.

R ESILIENT
I keep trying, even when it's hard.

I NNOVATIVE
I think in new and fun ways

V ERSATILE
I can do many things and learn every day.

E MPATHETIC
I care about how others feel

Thrive. For Life.

(Under The Aegis of GD Goenka Group)

Survival hungers for safety.
Thriving hungers for storms.
Be the storm.

Survival is about avoiding the edge.
Thriving is about creating it.
Make your masterpiece.

Survival asks "Why me?"
Thriving asks "Why not?"
Take on the challenge.

Survival follows footprints.
Thriving leaves craters.
Mark your impact.

Survival counts the minutes.
Thriving ignites the moments.
Light your fire.

Survival seeks the harbour.
Thriving commands the ocean.
Make waves.

Survival accepts limitations.
Thriving breaks free of them.
Claim your infinity.

Survival seeks answers.
Thriving seeks the questions.
Pursue the truth.

Survival clings to existence.
Thriving embraces life.

Don't just survive.
Thrive. For Life.

VISION

Rooted in a rich legacy of excellence, we aspire to set global benchmarks in education. As a progressive organization, we are committed to creating learning environments that foster innovation, agility, intellectual curiosity, and responsibility

MISSION

We are committed to becoming one of the top 10 respected education brands in India and globally, accredited and ranked by reputed agencies in all categories. Our mission is to support and empower our partner institutions and stakeholders across all disciplines with leadership, culture and resources to ensure their growth and excellence

SCHOOL HISTORY & PHILOSOPHY

Welcome to GD Goenka School, Bareilly—A beacon of educational excellence and innovation, where we don't just educate, **WE INSPIRE.**

Established in 2017 under the guiding principles and esteemed legacy of the prestigious GD Goenka Group, GD Goenka School, Bareilly has rapidly ascended to become the undisputed benchmark for quality education in the region. We are more than an institution; we are a vibrant community dedicated to pioneering a future-ready educational landscape. Our foundation is rooted in a dynamic legacy of academic brilliance and a commitment to innovation that transcends traditional boundaries. We have quickly earned our reputation as one of the most sought-after institutions in Uttar Pradesh by consistently delivering an environment where potential is unleashed and aspirations take flight. At GD Goenka Bareilly, we are profoundly committed to nurturing confident, creative, and compassionate trailblazers who aren't just prepared for the challenges of a rapidly evolving world—they are equipped to reshape it. Our core philosophy is simple yet powerful: it is grounded in an unrelenting quest for excellence, an insatiable thirst for knowledge, and an all-consuming passion for empowerment. We ignite the spark of curiosity in every student, transforming them into resilient lifelong learners and proactive, impactful global citizens. We believe in crafting leaders for tomorrow, **Today.**

MESSAGE OF PRINCIPAL

It is with great pride and immense pleasure that I extend a warm welcome to you all at G.D. Goenka School, Bareilly—an institution dedicated to academic excellence, character formation, and the holistic development of every learner who walks through its doors. As an avant-garde, co-educational English-medium institution, we bring a child-centric pedagogy that prioritizes experiential learning, critical thinking, and creativity.

The school's curriculum is meticulously designed to cultivate intellectual curiosity, problem-solving abilities, and a lifelong love for learning. Aligned with the ethos of "Higher, Stronger, Brighter," our educational approach integrates cutting-edge teaching methodologies with a robust co-curricular framework, empowering students to excel academically while nurturing their artistic, athletic, and leadership potential.

Mr. Rajesh Kumar .K

Principal
GD Goenka School, Bareilly

MESSAGE OF CHAIRPERSON

At GD Goenka School, Bareilly, we believe that education is not just about acquiring knowledge but also about building character, nurturing values, and fostering lifelong learning. Each child is a valued individual, and our child-centered philosophy ensures that every student receives the guidance, encouragement, and opportunities needed to reach their maximum potential.

In today's rapidly evolving world, education must go beyond textbooks. While academic excellence remains at the heart of our vision, we also emphasize a well-rounded approach that integrates intellectual, physical, and creative development. Our mission is to equip students with the skills, confidence, and values necessary to face the challenges of the 21st century with resilience and determination.

Ms. Anshu Singh Gautam

Chairperson
GD Goenka School, Bareilly

FOUNDATIONAL LEVEL

Play Based Pathways To Core Skills

Five Years Nurturing

The initial stage of education, spanning five crucial years, lays the cornerstone for a child's cognitive, emotional, and social development.

The curriculum focuses on age-appropriate activities that engage children's curiosity and creativity, promoting holistic development.

The foundation stage prioritizes activity-based learning, which involves hands-on experiences through arts and crafts, storytelling, music, movement, and group interactions, providing a dynamic learning environment.

Children are exposed to early numeracy and literacy skills through games and activities that make learning enjoyable and accessible.

TRANSLATING EARLY FOUNDATIONS INTO CORE COMPETENCIES

Our program culminates in a seamless transition, acclimatizing students to the structure of primary education (Classes 1 & 2) while maintaining a nurturing atmosphere. Students graduate from the foundational stage as confident communicators, curious learners, independent thinkers, and socially responsible individuals—ready for joyful and meaningful learning in the preparatory stage.

We don't just prepare them for the next grade; we prepare them for the world.

STRONG FOUNDATIONS THROUGH “EXPLORATION & EXPERIENCE”

The foundation stage prioritizes activity-based learning, which involves hands-on experiences through arts and crafts, storytelling, music, movement, and group interactions, providing a dynamic learning environment.

The foundation stage is committed to inclusive education, ensuring that children of all backgrounds, abilities, and circumstances have equal access to learning opportunities.

The final years of the foundational stage transition children smoothly into primary education by introducing them to the structured environment of Classes 1 and 2.

MASTERY UNLOCKED

PREPARATORY STAGE (GRADE 3 TO 5)

We are sculpting future leaders with a cutting-edge, student-centric curriculum designed for mastery.

THE CORE DIFFERENCE - DYNAMIC PEDAGOGY

- ➔ Nurturing **THINKERS** Through Interactive Learning
- ➔ Building **UNDERSTANDING** Through Play Discovery and Interaction
- ➔ **CONCEPTUAL LEARNING** Through Experiential Classrooms
- ➔ Develop **SCIENTIFIC TEMPER**
- ➔ Apply **LOGICAL REASONING**
- ➔ Promote Learning **COLLABORATIVELY** Through Articulation of Ideas in discussions, presentations and projects.

CURRICULUM

MIDDLE SCHOOL (VI-VIII)

Experiential Learning:

Hands-on experiences emphasizing critical thinking, creativity, and problem solving.

Parental Involvement:

Fostering collaboration through regular communication and workshops.

Environmental Awareness:
Fostering curiosity about nature through exploration.

Creative & Collaborative Classrooms:
Focus on student discussions and interpretation over rote learning.

SECONDARY LEVEL (CLASSES IX & XII)

Igniting Potential: A Holistic Curriculum for Secondary & Senior Secondary Success Our curriculum, aligned with NEP 2020, sparks a passion for learning through academics, practical skills, and holistic development, preparing students for exams and for life.

Secondary Level (Classes IX & X): Building Strong Foundations We provide a balanced environment where foundational knowledge meets essential skill-building.

Core Academics: Languages, Mathematics, Science, and Social Science provide a comprehensive base.

Skill Development: Includes Health & Physical Education, Art Education, and Work Education & ICT.

Assessments : continuous progress via periodic tests, internal assessments, and the final CBSE Class 10 Board Examination.

Senior Secondary Level (Classes XI & XII): Empowering Choice & Exploration Embracing the multi disciplinary vision of NEP 2020, we dismantle rigid stream barriers. Students tailor education across Science, Commerce, and Humanities based on interests and career goals.

This stage fosters :

- ➡ CRITICAL THINKING,
- ➡ CREATIVITY
- ➡ PROBLEM-SOLVING

Flexible Subject Choice: Freedom to select subjects across traditional boundaries.
Competency-Based Assessments: Evaluating real-world application over rote memorization.

Integrated Learning: Enhancing outcomes via practical applications, research, and extracurricular engagement. Our curriculum prepares students for competitive exams and higher education while cultivating leadership and problem-solving abilities.

CAMBRIDGE ENGLISH LANGUAGE ASSESSMENTS (CELA)

Elevate Your Future with Cambridge English

Transform how students learn with a curriculum that builds more than just language—it builds confidence. By integrating Cambridge English Qualifications into your school, you provide a structured pathway to global academic and professional success.

Real-World Mastery: We move beyond memorization to focus on practical, real-life communication.

Holistic Development: Comprehensive training across all four essential skills: Reading, Writing, Listening, and Speaking.

Global Standards: Every qualification is aligned with the CEFR international benchmark, ensuring student proficiency is recognized by employers and universities worldwide.

A Competitive Edge: Give your students the self-assurance to excel in higher education and the global workplace.

Integrated Curriculum For IIT-JEE & NEET SUCCESS

Our Integrated Curriculum is thoughtfully designed to prepare students for IIT-JEE and NEET alongside regular school education.

- Concept-driven teaching aligned with CBSE learning outcomes
- Early foundation building from middle grades
- Structured academic planning, regular assessments, and expert mentoring
- Eliminates the need for external coaching by integrating preparation within school hours

With the right guidance, discipline, and curriculum, cracking competitive examinations becomes a natural outcome—not an added burden.

The United Nations **Sustainable Development Goals (SDGs)** form an integral part of our **Teaching-Learning** process.

- SDGs are embedded across subjects through project-based and inquiry-based learning
- Students develop global citizenship, ethical responsibility, and Sustainability Awareness
- Real-world problem solving nurtures leadership, empathy, and innovation

We prepare students not just for exams, but for life and responsible global participation.

**INNOVATION & ROBOTICS LABS:
PREPARING STUDENTS FOR TOMORROW**

IN MAKING

*Curious
Engineers,
Problems
solvers and
Responsible
Technology Users*

Fueling Genius: Why Our Labs Matter Experience dynamic, hands-on learning that goes beyond the textbook. We cultivate critical thinking, creativity, and problem-solving skills essential for a modern world.

Hands-On Mastery: Design, build, and program the future. We transform theory into tangible skills.

Integrated STEM: Seamlessly blend Science, Technology, Engineering, and Mathematics through real-world applications.

Innovation Engine: Experiment with disruptive ideas, develop prototypes, and solve real-world challenges.

Future-Ready Tech: Access cutting-edge tools—from 3D printers and robotics kits to AI platforms.

Personalized Pathways: Tailored mentorship in coding, AI, and electronics to pursue individual passions.

Global Competitors: Shine on national and international stages at top robotics competitions.

Entrepreneurial Spirit: Nurture the mindset to develop and pitch groundbreaking solutions.

VIRTUAL REALITY (VR) LABS: REVOLUTIONIZING EDUCATION

Immersive Learning Unlocked: The GDGS Bareilly VR Lab At G.D. GOENKA SCHOOL, BAREILLY, we're proud pioneers. Our state-of-the-art VR Lab—a first-of-its-kind initiative—transforms traditional learning into a dynamic, immersive experience. We don't just teach concepts; we allow students to live them, drastically enhancing overall learning outcomes.

Experience the Future: Benefits of Our VR Lab We bridge the gap between theory and reality, making complex subjects tangible and exciting.

Engaging & Enjoyable: Interactive experiences that capture imagination and make learning fun.

Ignite Curiosity: Foster a natural love for discovery and exploration. **Safe Exploration:** Experiment without limits in a secure, virtual environment.

Practical Application: Instantly link theoretical knowledge to real-world scenarios. A Vision for Tomorrow Our VR Lab is more than technology; it's a gateway to infinite possibilities. By integrating Virtual Reality into our core curriculum, we empower students to visualize, interact, and learn in ways never before imagined. This commitment reflects our relentless pursuit of innovation, excellence, and preparing students for success in a dynamic global environment

Your Child's Safety, Our Top Priority :

Travel the Goenkan way

- **Real-time GPS Tracking:** Parents and school authorities can track the live location, speed, and status of the school bus in real-time via a dedicated mobile app or tracking system.
- **CCTV Surveillance:** Every bus is equipped with CCTV cameras to monitor student behavior and driver performance, ensuring transparency and accountability.
- **Emergency Provisions:** Each bus has clearly marked emergency exits, fire extinguishers, and comprehensive first-aid kits.
- **Planned Routes:** The administration meticulously plans efficient bus routes and fixed pick-up/drop-off points across Bareilly to minimize travel time.
- **Instant Parent Communication:** In case of unforeseen delays due to traffic or weather, parents are immediately informed via SMS alerts or the school's communication app.
- **Fixed Stops:** To maintain punctuality and safety, students have designated boarding and deboarding points. Requests for changes must be submitted in writing in advance.
